FILTRATION AND SEPARATION IN THE
NewEnergyEra
2011 FALL CONFERENCE

10.17-20.2011

HILTON HOUSTON WESTCHASE

9999 Westheimer Road, Houston, TX 77042

CONFERENCE CHAIR

Dr. Wu Chen
Dow Chemical
Freeport, TX
Phone: 979-238-9943
wuchen@dow.com

VICE CHAIR

Dr. Wenping Li
Agrilectric Research Company
Lake Charles, LA
Phone: 337-421-6445
wenpingl@agrilectric.com

STEERING COMMITTEE

Chris Wallace
Filtration Technology Corporation
Houston, TX
Phone: 713-849-0849
chris@ftc-houston.com

Dr. Guoqiang Yang
Shell Westhollow Technology Center
Houston, TX
Phone : 281-544-8813
Guoqiang.Yang@shell.com

Dr. James Chen
Cameron Process Systems
Houston, TX
Phone: 713-896-3609

2011 FALL CALL FOR PAPERS

PAPER CRITERIA

any technical or business subjects related to
filtration & separation

PAPER TOPICS

Topics of submission include but are not limited to

Upstream and midstream oil production/processing

Production or midstream/pipeline process; Produced water and brine filtration; Hydraulic Fracture (FRAC) water filtration; Oil sand/heavy crude upgrade; Growth opportunities of filtration & separation business; Emerging technologies

Downstream refinery, gas, petro-chemical processes

Hot coker oil filtration; Amine filtration and coalescing; Natural gas coalescing; Process filtration; Process water treatment; Filtration & separation market evaluation; Emerging technologies

Green and renewable energy

Filtration and separation in renewable fuel production process; Renewable fuel specifications and filtration; Efficiency and sustainability through filtration and separation; Outlook of filtration & separation in renewable energy market; Emerging technologies

Power Generation

Water purification; Emission controls –today and future outlook; Regulatory and regional market opportunities; Emerging technologies

Environment and water treatment

Green building; Energy saving indoor air filtration; Wastewater treatment and zero discharge process; Recycle and waste management; Emergency treatment on spill cleanup; Filter/filter media compatibility challenges; Emerging filtration markets opportunities

Manufacturers' showcase

Other Filtration & Separation Topics

**ABSTRACT SUBMISSION DEADLINE:
SEPTEMBER 1, 2011**

**FOR FURTHER INFORMATION CONTACT:
SUZANNE SOWER,**

kssafs@mac.com, American Filtration and Separations
Society, 7608 Emerson Ave. S., Richfield, MN 55423
612-861-1277

Instructions for Authors Presenting Papers:

Due Dates:

ABSTRACTS: SEPTEMBER 1, 2011

Abstracts are to be submitted online, with a maximum of 250 words. See process and guidelines below.

PAPERS: OCTOBER 1, 2011

Manuscripts are preferred but in lieu of that ppt for Proceedings must be submitted by October 1, 2011.

REGISTRATION FOR CONFERENCE: OCTOBER 1, 2011

All presenting authors are required to register to confirm their attendance at the conference. Abstracts will not be included if the registration is not received by this date.

ABSTRACT SUBMISSION PROCESS AND GUIDELINES:

Abstracts must include name of presenting author, organization of presenting author, names of contributing authors, organizations of contributing authors, abstract title, abstract content (maximum 250 words, and bio of presenting author (maximum 150 words).

Submit Abstracts Online At: www.afssociety.org/abstracts1011

Technical Sessions

Table Top Exhibit Area

CONFERENCE SPONSORSHIP AND TABLETOP INFORMATION

As a Conference Sponsor, you will receive the publicity of being a corporate leader in the Filtration Industry. And this publicity will extend beyond the AFS Technical Conference to the AFS Conference Website.

A CONFERENCE SPONSOR WILL RECEIVE:

- Company logo on the AFS website home page before and during conference
- Company logo on the AFS conference website before, during and after conference
- Company name and logo displayed on the Conference Brochure
- Company name and logo displayed throughout the Technical Conference area
- Conference Sponsorships are available for only \$1000.

AFS Corporate Sponsors receive a 50% DISCOUNT on conference sponsorships.

TABLETOP EXHIBITOR

You can also display your products and meet with industry experts with a conference Tabletop display. This is a six foot table display that is located right outside the technical presentation rooms.

These displays are available for only \$1000. There is a charge of \$25 for electricity.

Tabletop Exhibit does not include conference registration.

AFS Corporate Sponsors receive a 25% DISCOUNT on tabletop exhibits.

For more information on conference sponsorship or tabletops please call Suzanne Sower, AFS Executive Manager, 612-861-1277.

For current information go to **www.afssociety.org**
